

# AMERICAN GUILD OF ORGANISTS

## Central Florida Chapter

## SCHOLARSHIP FUND

In September of 2011, our chapter has enthusiastically established a scholarship fund. The scholarship committee will offer scholarships to benefit qualified students to assist and promote the study of organ as a classical and ecclesiastical instrument.

It is the goal and objective of our chapter to foster the ongoing development of organ students in order to develop skilled organists who will perpetuate this vocation in both our classical secular culture and important service of the sacred community.

*Your generous support is needed and will be genuinely appreciated.*
