# Dean's Message

**Boyd Jones**  
CFAGO Dean

Dear CFAGO Friends,

Happy New Year, and congratulations on having survived another Advent and Christmas season! This has been a taxing time for many of us, given the quantity and complexity of church events and other musical endeavors. Your Board will be meeting regularly to finalize CFAGO plans, and prepare for our 100th Anniversary year with special events and concerts.

Please keep up with our Mixture Magic Newsletter and Pipeworthy News online. Both CFAGO events and organ/church music events in the area are regularly covered in these communications. Coming events will include another Pedals, Pipes, and Pizza event. These have been highly successful in the past, and I feel certain the coming event will be a great one. Here at Stetson University, we look forward to hosting a guest organ recital by James Kibbie in February, and the CFAGO Members Recital event in March. I hope I will see many of you at those events, and that we will all do our best to support all the events detailed in these online publications, throughout our Chapter's area.

Here's wishing everyone a successful New Year, and successful planning for coming events and music-making!

Here's wishing everyone a successful New Year, and successful planning for coming events and music-making!
