

## **Arrival and Parking near the Cathedral**

There are three areas designated for parking near the Cathedral on Sundays:

- 1) Metered street parking around the building is free on Sundays.
- 2) The Lanier Parking Lot is a surface lot exactly adjacent to the Cathedral on the corner of Washington and Magnolia, and is free for those attending the Cathedral.
- 3) The Regions Bank Parking Garage is also a free, covered place to park.

Simply pull into the garage, take a ticket, and receive a parking voucher from one of our ushers when worship concludes
